RE: **Angelo L. Chirban, M.D.**
Case # MD-08-0746A

Dear Dr. Chirban:

The purpose of this letter is to inform you that during the course of the April 1-2, 2009 public meeting, the Arizona Medical Board (Board) reviewed the above-referenced complaint and all pertinent evidence and information gathered during the investigation. At the conclusion of its review, the Board voted to issue you this Advisory Letter for inadequate medical records and for signing a blank prescription; and within 6 months, complete 15-20 hours of non-disciplinary CME in prescribing. The CME hours shall be in addition to the hours required for the biennial renewal of medical license. While the licensee has demonstrated substantial compliance through rehabilitation or remediation that has mitigated the need for disciplinary action, repetition of the activities that led to the investigation may result in further board action against the licensee.

An advisory letter is a non-disciplinary action, and is not subject to review by either the Board or the Courts. See *Murphy v. Board of Medical Examiners of the State of Arizona*, 190 Ariz. 441, 949 P.2d 530 (App. 1997). However, you may file a written response to the letter with the Board within thirty days after its receipt A.R.S. § 32-1451(E)(3). If timely received, the response will be attached to the advisory letter and maintained in your permanent file. The written response will also be hyperlinked to your profile on the Board's website.

Please contact Kathleen Muller, Compliance, at 480-551-2716 prior to registering for CME, for pre-approval.

Sincerely,

Mary Bober
